Dynamic Message Sign (DMS) Utilization

WICHway utilizes 23 permanent DMS. In March, a total of **296 messages** were posted. **91%** of DMS were used at least once for an incident.

Messages shown exclude travel times and test messages. Messages shown include modifications to previous messages.

*Closure messages include roadway closures for roadwork, incidents, and weather postings.

**Other Incidents may include but are not limited to stalled vehicles, fire, and medical incidents.
